

# Increasing Access to Agricultural H-2A Visas for Guatemala

The Biden-Harris Administration is working to increase grower access to H-2A workers in the Northern Triangle. To support this effort, *CIERTO* has secured funding to bring our proven model of Responsible Recruiting to Guatemala.

## Funding for Growers Available

*CIERTO* has received funds to offset the increased logistical costs of recruiting guest workers from Guatemala.

**CIERTO**

We Professionalize  
H-2A Farm Workers

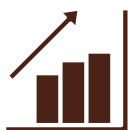

# Up to \$500 per recruit is available for qualified farms.

More information about the program is available at [CiertoGlobal.Org/NorthernTriangle](https://CiertoGlobal.Org/NorthernTriangle)

"The responsible recruiting of workers is an important & complex issue. Costco is proud to be working with *CIERTO* – an agency that truly understands the complexities of the issue & that elevates responsible recruitment practices."

Preston Witt, Human Rights Director  
COSTCO WHOLESALE CORPORATION

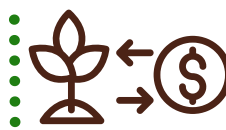

## Clean, Transparent Recruiting Is Good Business

Significant  
Productivity  
Improvements

Fully Trained,  
Knowledgeable  
Workers

A Reliable  
Labor Supply  
Chain

Guaranteed  
H-2A  
Compliance

*CIERTO* ethically recruits, trains & places H-2A visa workers on farms throughout North America. Since 2016 we've placed thousands of farmworkers, protecting them from fraud, abuse & deception.

Over the years, we've demonstrated that Responsible Recruiting protects guest workers, growers & retailers alike.
